\*Parent Helpers Day is designated on every Friday beginning in November. On these days, two families may sign up to join our classroom to observe, interact with, and help out in any way they would like. Philly Montessori Parent Helpers Days allow for parents to become integrated into our daily school routines, and also allow space for parents to share any particular interests or talents with our school community. These days are not required, if you would like to join us one day, but can not come on a Friday, simply let us know and we will make appropriate arrangements!
